---

March 17, 2020

Dear Keystone Families,

As you are aware, Governor Tom Wolf issued a mandatory state-wide closing of all Pennsylvania schools. This statewide closure began on Monday, March 16, 2020, and is to continue through Friday, March 27, 2020. Should this change, the information will be posted on our school website at [www.keystonecharterschool.com](http://www.keystonecharterschool.com).

During this mandatory closing, Keystone Charter School is not providing instruction and students are not required to complete assignments.

Free lunches will be provided by the school district that you reside in (your home district). For more information on meal pick-up locations, please visit your home school district's website.

As a best practice for overall health and wellness, the Centers for Disease Control and Prevention (CDC) recommends taking the following preventative measures to reduce the spread of germs:

- Wash hands frequently with soap and water for at least 20 seconds. If soap and water are not available, use alcohol-based hand sanitizers.
- Avoid touching eyes, mouth and nose with unwashed hands.
- Avoid close contact with individuals who are sick.
- Stay home when you are sick. The CDC recommends that individuals remain home for a minimum of 24 hours after you no longer have a fever.
- Cover your cough or sneeze with a tissue, then immediately discard the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

Protecting our students takes the informed effort of our entire community. The administration at Keystone Charter School will be working closely with our county, state, and federal health department agencies to ensure that we are taking the right measures to provide a safe learning environment. Your cooperation and continued support are greatly appreciated.

We will provide more information as it becomes available, or in the event that the situation changes. We encourage you to check the school website at [www.keystonecharterschool.com](http://www.keystonecharterschool.com) for updates.

Sincerely,

  
Mike Gentile  
Chief Executive Officer
