Dear Parent/Guardian:

Under the Every Student Succeeds Act, states are required to designate schools for support and improvement based on both school-wide (Comprehensive Support and Improvement) and student group (Additional Targeted Support and Improvement) performance on a range of academic and student success measures.

Keystone Charter School is one of roughly 100 schools statewide designated for Comprehensive Support and Improvement. This designation is based on data suggesting the need for additional supports to improve school-wide performance in the following areas: academic proficiency on state assessments, academic growth and graduation rate. This designation will mean additional resources for our school and provide an opportunity for our school to partner with stakeholders to identify our school community's most pressing needs, select strategies to support those needs, and work together to implement the selected strategies.

Your input in our improvement process is important to us! Please join us for our Parent Information Night being held on Wednesday, April 17, 2019, from 6:00 – 7:00 p.m. at one of two locations: Keystone High School, 425 South Good Hope Road, Greenville, PA or Community-Based Family Intervention Center, 359 Stambaugh Avenue, Sharon, PA (more information to follow). We also encourage you to complete our annual parent/guardian survey.

If you would like more information, please feel free to contact me at 724-588-2511. ext. 1104.

Sincerely,

Mike Gentile
Chief Executive Officer
